# International Student Statement

1. What skills do you think you need to develop in high school to best prepare you for college? _____

2. Describe your interests and activities (both at school and at home).

3. In which activities have you participated where you have shown leadership, concern for others, and/or personal integrity? Please describe.

# Personal Essay

Choose one of the following essay topics and write an essay without anyone's guidance and in your own handwriting. You can consult a dictionary but do not use a computer or grammar check. Use the space provided on this and the back page.

1. Describe an event that has changed your perspective on life.

2. If you could rewrite history, what would you change and why?

3. Imagine it is 2050. What has become of you? Describe your career, financial status, marital status, family situation, hobbies, activities, dreams, and fears.
